

The AMA History Project Presents: Biography of WAYNE BOUDREAU

Written by MA staff (03/1987); Transcribed by JS (06/2008)

The following was published in the March 1987 issue of Model Aviation magazine. Wayne was a 1986 AMA Scholarship winner.

Wayne Boudreaux, Greenville, MS, has been awarded \$2,500 to assist with his tuition at Northeast Louisiana University. Wayne is working towards a degree in pharmacy.

Graduating from St. Joseph High School with a 4.0 GPA, he was ranked first in his class. Active in athletics, debating, medical science, and photography, he made time for aeromodeling as well.

As members of the Delta RC Club, he and his father built and flew powered Radio Control models. Wayne scratch-built a Sailplane and took fourth place in his most recent Capital City contest.

His academic achievements are exemplary. He earned membership in the National Honor Society for three years, was listed in *Who's Who Among American High School Students*, gained awards at science fairs, and many superior performances in foreign language studies. In athletics, he won letters in track, basketball, and football.

A well-rounded person, Wayne has also been very active in diocesan affairs and held several offices in the Catholic Youth Organization.
