David Peterson, now at San Diego State University, went to high school in Yucaipa, California. David plans to major in Journalism and his minor degree will be in Theatre Arts. A member of the California Scholastic Federation while in high school, he also held a variety of school offices. He worked on the school yearbook as Promotion Editor and later as Coeditor. His special interests included the S.A.D.D. campaign and the Teen Activities Program (TAP). This program provides alternatives to teenagers in an effort to help keep them from substance abuse.

An enthusiastic modeler, David and his father are both members of the Yucaipa Valley RC Fliers.
