## Camp AMA 2015 a hit

Check out pictures from this year's Camp AMA. Forty youth aviators from across the US came to Muncie, IN for four days of instruction and fun. A special thank you to all the sponsors, volunteers, and instructors for once again making this a great camp.

## Flite Fest 2015

Join us July 9-12 in Malvern OH for Flite Fest 2015. This all-electric fun-fly by [Flitetest.com](http://Flitetest.com) will be a great event for fliers of all skill levels. AMA's Mobile RC Experience trailer will be there, so attendees can get in extra flight time with our simulators.

## High school pre-engineering class takes on model airplane project

After weeks of research, assembly and teamwork, the Pocono Mountain West High School pre-engineering students took their hand-built model aircraft off campus to test its performance and endurance in a series of test flights at the West End Wings Airfield on June 10, 2015.

## Tucson Aerobatic Shootout is back

After a brief hiatus the Tucson Shootout is back! The contest will be held October 14-18, 2015 at Tucson International Modelplex Park in Tucson, AZ. We'll be posting more information as it becomes available.

## Extreme Flight Championship highlights

We're on location at the International Aeromodeling Center in Muncie IN for the Extreme Flight Championships(XFC), and we had a chance to speak with 2015 XFC pilot, 11-year-old Kal Reifsnnyder in the video to the left. For highlights from the event click the button below.

## Special model flying area at EAA's AirVenture

If you're eager to see some of the fun of RC model aircraft flight, a new sUAS/drone/model aircraft area will allow these hobby activities to take place at Oshkosh - or if you'd like to fly your own - EAA has added a location where that will be happening during AirVenture 2015. This is in addition to the highly anticipated indoor drone cage at AirVenture's Aviation Gateway Park northwest of the control tower.

## Second International Sky Bunny Postal Contest

In 2014 there was a proposal and request to hold a postal contest for the Sky Bunny. A postal contest is one in which modelers fly and time flights locally and mail the results to a remote contest director, who tallies scores and publishes the results. This is a fun activity to do with friends and family.
