San Benancio Quad Squad launches a GoFundMe for UAS4STEM trip

The team built and programmed its drone and participated in the Regional UAS4STEM Championships in San Diego on May 7, 2016. The team won first place in the competition and is now qualified to attend the Nats in Muncie, IN, on August 20-21, 2016. The team members are raising funds for airfare, hotel rooms, and some additional drone parts. Any help is appreciated.

Guinness World Record attempt at Flite Fest 2016

Help the Flite Test community set a Guinness World Record at Flite Fest 2016! The record for the most RC model aircraft airborne simultaneously stands at 99 and was set at the Southeast Electric Flight Festival (SEFF) in 2008. The Flite Test community is organizing an attempt to shatter that record. There's no better time and place to do that than at Flite Fest 2016! The official attempt will be made Saturday, July 16, at 1 p.m. at Furey Field in Malvern, Ohio, during Flite Fest.

Bring your RC aircraft and fly at EAA AirVenture.

Going to EAA AirVenture? Be sure to bring your RC aircraft to fly at the Pioneer Airport model flying field Monday through Saturday at 7 p.m. Parking is available in the EAA Museum lot. No credentials are required. Look for the AMA tent. AMA membership required. Don't miss EAA's World War I Aviation Centennial celebration in the vintage aircraft area, featuring World War I full-scale and RC aircraft on display and flying together. Watch the "Explore the World of Model Flying at AirVenture 2016" video and get a map of AMA activities. Save \$7 on AirVenture tickets by using promo code "AMA." www.EAA.org/tickets
