Explore a Trans-Atlantic Model

Have you ever wanted to take a peek inside of Maynard Hill's Transatlantic Model (TAM)? Have you always wondered what equipment was installed to allow the model to travel 1,881.6 miles across the North Atlantic? Now, thanks to a loan from the National Electronics Museum, you can view an exhibit showcasing equipment from a TAM.

Let us help you complete your club charter renewal

The March 31 deadline for clubs to renew their annual charter status has come and gone and there are nearly 400 clubs that have not submitted their renewal documents for the 2017 charter year.

Life becomes busy and sometimes things slip through the cracks. Perhaps that's what happened to your club's renewal. There's no need to panic! If you are paying by MasterCard, Visa, or Discover card, simply fax the forms to (765) 286-3303, or [email the forms](#) to expedite the process. If your forms have been misplaced, we are here to help.

F3K world teams needs your help

The Team USA 2017 F3K pilots have qualified and now need your help to travel to compete at the 2017 FAI F3K World Championship for Model Gliders, in Lviv, Ukraine, this July. Every two years, teams from around the world meet to compete in the F3K FAI World Championship. As the reigning Junior world champions, the Junior team is ready and hopes to defend its title against Open class pilots, and Junior and Senior teams. Help Team USA compete by making a contribution or purchasing raffle tickets.
