Congress proposes new legislation on model aviation

In late June, Congress introduced new legislation for the FAA, which included proposed changes that could impact our hobby. We were able to help shape the language and add some new amendments. Read the latest developments as this moves through the legislative process.

AMA volunteers needed For EAA AirVenture

Are you going to AirVenture, or do you live close by and have always wanted to attend? AMA needs volunteers to help promote model aviation at the AMA booth, in the flight simulator trailer, and during the evening RC flying at this year's AirVenture, held July 24-30 in Oshkosh, WI. The minimum requirement is five hours for one day. Volunteers will receive free admission, an AMA shirt, and a food voucher. Email [Jeff Nance, AMA Director of Marketing](#) to sign up or for more information.

Learn to build and fly rubber-powered airplanes at the Indoor Free Flight Nats

In conjunction with this year's Indoor Free Flight (FF) Nats, to be held in Rantoul, IL, July 18-22, there will be opportunities to fly Wright Stuff and Elastic Launched Gliders built by students for Science Olympiad tournaments. There will also be a free build-and-fly session of rubber-powered models. The kits, tools, and adhesives necessary to complete construction will be supplied at no charge.

Fluvanna County R/C Flying club raises \$5,000 for animal rescue

The Fluvanna County R/C Flying Club, located in Fork Union, VA, recently received an AMA Club Recognition and Reward grant for \$175 after submitting an application for its annual Wings and Wheels 4 Paws event. This year's event, which took place on June 10, drew a crowd of roughly 500 people and raised approximately \$5,000 for local animal rescue organizations. Congratulations to the members of this club.
