## It's time to register for National Model Aviation Day

Every year, National Model Aviation Day grows. We invite all clubs to host an event on August 12 to celebrate the hobby and raise public awareness for their groups and our national organization. AMA has developed several resources to help make your event a success. This year the AMA Executive Council has selected the AMA Foundation as the national charity of support for the 2017 celebration. We are now accepting 2017 sponsorships. Thank you to [Ready Made RC](#) and [HobbyKing](#) for becoming our first Platinum Sponsors!

## Drones for good: Tracking turtles via drone

After returning from a semester break, Boston College freshman, Branick Weix, had something unusual and inspiring to share: his weeklong trip to Costa Rica to help researchers track endangered sea turtles. Through his company, SkyLink Productions, the Minnesota native partnered with the nonprofit group Seeds of Change, and used an array of drones to help researchers study nesting turtles on a remote peninsula of the Central American country.
